## ANGEL SPONSORSHIP

With your support we will be able to offer wellness services for low-income men and women diagnosed with cancer and other degenerative illness who need relief from chronic pain, depression, nausea, fatigue, and other incapacitating symptoms. Individuals who are at poverty levels should have the opportunity to live without pain and suffering.

The cancer treatment is different for every person and situation, the average time that a person goes through cancer treatment is approximately one year. This is why our Angel sponsorships are for one year, although sponsors can choose to sponsor more or less time we appreciate being able to provide the services for at least a year so that even those who are diagnosed with other incapacitating illnesses can also receive healing services. The monthly amount is only \$50 for each person being sponsored.
